

WEINGUT JOSEF FRITZ

2017
Grüner Veltliner
Ried Schlossberg
DRY

Ripe yellow apple fruit with a fine herbal spiciness, a mineral touch with yellow plum, lush, round and elegant, lightly sweet body, a multi-faceted food pairing.

Ried Schlossberg

The Schlossberg is a pure loess site, whose name refers to the mountain behind Winkelberg Castle in Mitterstockstall. It is the local mountain of the castle, so to speak. One of the best locations with an almost Pannonian influence, which makes the style of Wagram Grüner Veltliner from loess, which is called baroque by some, so unique.
